**Nancy Creel Smith, Tracy Rives Johnston : Legal Document Production** before purchasing it in order to gage whether or not it would be worth my time, and all praised Legal Document Production:

This combination book/workbook/reference provides a well- rounded overview of the procedures to follow in producing legal documents in six areas of law, general legal correspondence, and miscellaneous documents. Readers gain hands-on experience formatting and producing documents using any software package, word processor, electronic typewriter, or standard typewriter. The book provides a realistic approach to the procedural process required in the court system; features a wide variety of hands-on projects that focus on the documents themselves i.e., the

projects are suitable for any word processing software used with a computer, electronic typewriter, word processor, or standard typewriter; includes projects that highlight the documents from a variety of states, including specific features of California, Florida, Illinois, New York, Ohio, Texas, Virginia.
