Tom Twyford : Legal Ease: Your Essential Guide to Lawyers, Shysters and Ambulance Chasers before purchasing it in order to gage whether or not it would be worth my time, and all praised Legal Ease: Your Essential Guide to Lawyers, Shysters and Ambulance Chasers:

0 of 0 people found the following review helpful. Good guide at a good priceBy Mark ScottHad the information I needed at a good price

Sooner or later, everyone will need a lawyer. When that time comes, this book will become the best investment you've ever made! It's a certainty that someday in the lives of us all, we'll have the need for legal services. My guidebook provides the reader with the practical information they should have when that day arrives. The concept is that the average person has been kept in the dark far too long about the truth of how lawyers operate and interact with clients and those in search of an attorney. There is a shroud of mystery surrounding lawyers that fosters misinformation, prejudice, distrust and confusion. The aim of this book is to penetrate this shroud and solve the mystery. To accomplish this purpose, I inform, educate and illustrate what clients need to know. Armed with new found knowledge and awareness, the layperson will be able to approach the attorney/client relationship with confidence rather than distrust and apprehension. This, in turn, will empower them to challenge the lawyer in ways that will save money, time and disappointment. Clients have been exploited by lawyers in a multitude of ways that have come to be accepted as the norm. It is my mission to expose the imbalance in the attorney/client relationship. I suggest ways and means for the client to assert his rights and restore equilibrium to the relationship. A secondary theme of this book is to expose the under-belly of the legal profession and the culture of greed that has come to identify lawyers. What started with the exorbitant fees of big law firms has spilled over to smaller firms as well as sole practitioners. Attorney fees have increased to the point where they bear no reasonable relationship to the value of the service performed. This abuse is known and tolerated by the organized bar.

About the AuthorThe author, Tom Twyford, holds two degrees from The Ohio State University. He served as an army officer with four years of active duty as a troop commander and counsel for Special Courts Martial proceedings. His law degree launched him on the path of a forty-five year career in the private practice. The thrust of his practice was in the areas of domestic relations, criminal, and personal injury. He also had a limited exposure to a wide cross-section of other specialties. The clientele Mr. Twyford served was largely made up of the poor and working class people in need of legal services. Five decades in the trenches, representing thousands of clients has made him a battle-hardened veteran lawyer with the knowledge and insight to write this book. Over these years of public exposure in the courts he has become a skilled public speaker and storyteller. This is evidenced by a memoir he wrote after his retirement in 2007. The memoir is entitled *The Son of a Boilermaker* and was published in December 2009. It is a humor driven account of growing up during the 1940s and 1950s in the hard-scrabble steel town of Steubenville, Ohio. The story is about a time and place that describes the last gasp of innocence to be visited upon the American scene. *Legal Ease, Your Essential Guide To Lawyers Shysters And Ambulance Chasers* has a much wider general appeal than a non-celebrity memoir. At the same time it gives the author an opportunity to demonstrate his strong feeling and passion for the subject matter.
