Ron W. Scott : Legal, Ethical, And Practical Aspects Of Patient Care Documentation: A Guide For Rehabilitation Professionals (Legal Aspects of Documenting Patient Care for Rehabilitation Professionals)

before purchasing it in order to gauge whether or not it would be worth my time, and all praised *Legal, Ethical, And Practical Aspects Of Patient Care Documentation: A Guide For Rehabilitation Professionals (Legal Aspects of Documenting Patient Care for Rehabilitation Professionals)*:

Legal, Ethical, and Practical Aspects of Patient Care Documentation: A Guide for Rehabilitation Professionals, Fourth Edition, is the only text to integrate coverage of the legal responsibilities of rehabilitation professionals with basic, essential advice on how to effectively document patient care activities from intake through discharge. This resource thoroughly covers the basics of documentation and includes many exemplars, cases, and forms, as well as a sample abbreviations used in rehabilitation settings. *Legal, Ethical, and Practical Aspects of Patient Care Documentation, Fourth Edition* covers all the bases from ethics, to practical aspects of patient care documentation, to relevant and salient legal implications and illustrative case examples that will help students excel in practice. Even after graduation, this text is perfect for ready reference in the clinic!
