Fred S. Steingold Attorney : Legal Guide for Starting Running a Small Business before purchasing it in order to gage whether or not it would be worth my time, and all praised Legal Guide for Starting Running a Small Business:

1 of 1 people found the following review helpful. I love nolo products and they satisfy me againBy JamesI was a business consultant and also started 2 of my own companies and got this book to refresh my memory.If you don't know anything about starting your or a business, this book should be where you start.A definite recommendation from me.2 of 2 people found the following review helpful. Astoundingly useful guideBy Ian StoneI recently converted my business to an LLC, and this book has a ridiculous amount of practical useful information. I really appreciated as well that the language was accessible. Very easy to understand. I found this guide very helpful and I've referred to it several times.1 of 1 people found the following review helpful. Five StarsBy kaylaSchool recommended but so helpful

The all-in-one business law book When you run a small business, legal questions crop up almost on a daily basis.

Ignoring them can threaten your enterprise but hiring a lawyer to help with routine issues can devastate the bottom line. Fortunately, you have a better alternative. *Legal Guide for Starting Running a Small Business* clearly explains the how to: raise start-up money pick the right business structure get licenses and permits negotiate a favorable lease protect yourself with the right insurance create binding contracts hire, fire, and manage employees cope with financial problems protect your personal assets save on business taxes The 14th edition is completely updated with the latest business tax rules and numbers, including options for deducting expenses for the business use of your home.

"An unusually helpful approach to the start-up process covers a lot of basics, from negotiating a lease to representing yourself in small claims court." *Inc. Magazine* "Get a basic understanding of small business legal issues... [with] this excellent resource...." *The Wall Street Journal* "Pick up a copy of Nolo's *Legal Guide for Starting Running a Small Business*.... It's a great resource." *Seattle Post-Intelligencer* Balances its wealth of reproducible documents with straightforward how-to instructions and advice... *The Bookwatch* Two things make this work exceptionally valuable. First, the forms and contracts are written in straightforward language [and] all of the forms can be found on a CD-ROM that comes with the book. *American Reference Books Annual* Provides instructions for completing the contracts required when forming a corporation, borrowing money, buying a business, leasing an office, hiring employees and selling goods. *Reference Research Book News* About the Author Attorney Fred S. Steingold practices law in Ann Arbor, Michigan. An expert on small business law, he represents and advises many small businesses. He is the author of *Legal Guide for Starting Running a Small Business* and *The Employer's Legal Handbook*. His monthly column, "The Legal Advisor," is carried by trade publications across the country.
