Michael H. Cohen : Legal Issues in Alternative Medicine: A Guide For Clinicians, Hospitals, and Patients before purchasing it in order to gage whether or not it would be worth my time, and all praised Legal Issues in Alternative Medicine: A Guide For Clinicians, Hospitals, and Patients:

1 of 6 people found the following review helpful. Read something elseBy Rico RicheIf you are looking for a book to guide you on legal issues in the United States, read something else. This book does not go direct to the point. Which

star should I give to it? I will tell you when I find something other book that talks about legal issues for "alternative" medicine.

Legal Issues in Alternative Medicine will help you understand the legal environment for CAM therapies, help craft institutional policies governing CAM providers, address credentialing, liability, and dietary supplements, and learn about your legal rights relating to these therapies. Buy a copy for yourself and an extra copy for your attorney, and hopefully save thousands of dollars, by educating your attorney about this specialty area of law.

About the Author Michael H. Cohen is Director of Legal Programs at the Harvard Medical School Division for Research and Education in Complementary and Integrative Medical Therapies. He is a Lecturer on Medicine in the Department of Medicine, Harvard Medical School, has been a Fortieth Anniversary Scholar at the Center for the Study of World Religions, Harvard Divinity School, and has taught "Health Law Policy: Complementary and Alternative Medicine" at the Harvard School of Public Health. He received his J.D. from Boalt Hall School of Law, University of California, Berkeley, his M.B.A. from the Haas School of Management, University of California, Berkeley, his M.F.A. from the Iowa Writers' Workshop, University of Iowa, and his B.A. from Columbia University. He served as a law clerk to Judge Thomas P. Griesa in the United States District Court for the Southern District of New York, practiced corporate law at Davis Polk Wardwell, a Wall Street law firm, and as law professor, taught health care law. He is a member of the Bar in the states of California, New York, Massachusetts, and Washington, D.C. He is the author of numerous scholarly articles and of several books, including: *Complementary and Alternative Medicine: Legal Boundaries and Regulatory Perspectives* (Johns Hopkins University Press, 1998); *Beyond Complementary Medicine: Legal and Ethical Perspectives on Health Care and Human Evolution* (University of Michigan Press, 2000); and *Future Medicine: Ethical Challenges, Regulatory Dilemmas, and Therapeutic Pathways to Health and Healing in Human Transformation* (University of Michigan Press, 2003).
