**John E. B. Myers : Legal Issues in Child Abuse and Neglect Practice (Interpersonal Violence: The Practice Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Legal Issues in Child Abuse and Neglect Practice (Interpersonal Violence: The Practice Series):

This expanded and updated Second Edition of Legal Issues in Child Abuse and Neglect Practice offers a state-of-the-

art exploration of what role the law can play in bettering the lives of victimized children. While all who work with abused children share the same goals, there often exists a gap in communication between legal and helping professionals that reduces efficacy of cooperative efforts. This new edition continues to provide vital information to non-lawyers on how the legal system in the United States works in child abuse cases.
