Diane M. Gilmore : Legal Office Projects (with CD-ROM) (Legal Office Procedures) before purchasing it in order to gage whether or not it would be worth my time, and all praised Legal Office Projects (with CD-ROM) (Legal Office Procedures):

LEGAL OFFICE PROJECTS is designed to utilize a project-based approach to completing legal office activities that involve legal document preparation, layout, formatting, Internet research, and transcribing. The setting for the projects is a law firm where the student serves as a floating legal assistant for a number of diverse individuals practicing various types of law. The projects allow a hands-on approach to legal document preparation.
