A leading text in legal writing, *Legal Reasoning and Legal Writing* explores the nuts and bolts of writing an office memo, a motion memo, and an appellate brief. In addition, chapters are included on oral argument and client letters. Well-known and highly regarded authors deliver the best explanation available on the reasoning underlying the proof of a conclusion of law. Thoughtful coverage of all aspects of legal reasoning goes from rule-based analysis to the strategy of persuasion. Helpful instruction on the process of writing accompanies a study of the mechanics of style and grammar. Examples and exercises throughout the text provide needed practice. The presentation of the Seventh Edition is tighter with a more open page design that is even easier to read. Coverage has been fine-tuned in response to user feedback. There are now new chapters on email memos and a new appendix on document design. Additional insight is given on the writing process as well as the process of persuasion, all with updated examples and exercises. Chapters on briefing cases, interviewing clients, and writing exam answers, as well as appendices on basic legal usage and rules of punctuation have been moved to the website for easy access.
