Joanne Banker Hames, Yvonne Ekern : Legal Research, Analysis, and Writing: An Integrated Approach (2nd Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Legal Research, Analysis, and Writing: An Integrated Approach (2nd Edition):

2 of 2 people found the following review helpful. Everything You Need. By J.L. Populist LEGAL RESEARCH, ANALYSIS, AND WRITING provides everything you need to learn in order to successfully research and analyze law. "How to write a Case Brief" gives instructions on how to write one of the most important documents in the legal field. One of the fundamentals that the authors stress in the book is preparation. Preparation can cut down on costs and make the research process shorter and more effective. Case Projects and Research Assignments and Activities are essential exercises to educate the reader. Some other features that are particularly helpful for me: *The Figures showing pages from codebooks, websites, and books for research. This shows the reader what these sources look like. The

page layout, diagrams, and labels break down each figure making it easier to navigate the source in the pictures.* A Point to Remember are assorted, helpful tips scattered throughout the book.*Appendix B - a basic Citation Reference Guide. Also references to citation rules from The Bluebook.This book provides very detailed information about citing cases, analyzing legal issues, and research using both on-line and print resources.Legal writing is addressed with suggestions on how to start the writing process, the difference in types of documents and how they differ in style or content.Two words that sum up this edition for me are Detailed and Professional. I'm keeping my copy so that I can refer back to it when I need to.0 of 0 people found the following review helpful. Five StarsBy C. C Chincheap; future law school studies!!

"Legal Research, Analysis and Writing: An Integrated Approach" provides readers with the knowledge and tools needed to research and analyze a legal problem and to communicate the results in different types of legal memoranda by integrating the basics of legal research, legal analysis and legal writing. Numerous sample pages from legal research materials - See how research materials work./Citation Matters - Learn the basics and importance of proper citation./Utilizes an integrated approach - See the "whole picture" of legal research by learning how to find the law, how to understand and analyze it, and how to communication results./Legal Vocabulary is defined in the chapters - No need to stop and look up terms in a separate dictionary. KEY Legal secretaries and anyone who is handling his or her own lawsuit - This book leads a person through the legal process, explains legal terminology in the margins and provides practical exercises for understanding. Police officers dealing with legal issues and owners/operators of their own businesses - Legal questions often arise and this book explains how to find the answers to these questions.
