William H. Putman : Legal Research, Analysis and Writing before purchasing it in order to gage whether or not it would be worth my time, and all praised Legal Research, Analysis and Writing:

0 of 0 people found the following review helpful. Love it.By CustomerNeeded this for class, so i looked into the previous edition. Works just fine for the required reading even though it is the previous edition.1 of 1 people found the following review helpful. CD NOT includedBy NflightVery annoying not to have additional material found on the CD, but there is no way to confirm that until you get an assignment referencing the additional material and you then realize you have no access. The digital convenience is great, but slight or hand excluding the CD irks me.0 of 0 people found the following review helpful. Excellent!By LadyExcellent book for legal writing and will definitely get you prepared for the legal field. Legal is not an easy field to understand, but this textbook gives you examples and formats and assists you in what to place in a brief an office memos.

The second edition of this popular text provides students with in-depth knowledge of the fundamentals divided into four parts: Introduction to Research Analytical Principles and the Legal Process; Legal Research; Legal Analysis; and Legal Writing. This approach meets the challenge that Paralegals and law clerks are increasingly faced with when called upon to perform substantive legal research, analysis, and writing tasks. Comprehensive coverage of the difficult

areas of legal research, analysis, and writing, such as: conducting statutory research and analysis; how to cite authority; how to identify the key facts in a case; how to conduct counteranalysis; and how to prepare an interoffice memorandum and court brief are included. Numerous hypotheticals, examples, and exercises engage students, and make the subject matter easier to comprehend. The setup of this text allows for use in separate research and writing courses, or where both researching and writing are combined in one course, instructors can select the chapters deemed appropriate.

About the Author William Putman is a lawyer and former instructor in the programs for Legal Assistant Studies at Central New Mexico Community College in Albuquerque and Paralegal Studies at Santa Fe Community College. A member of the New Mexico Bar since 1975, he received his Juris Doctor degree from the University of New Mexico School of Law.
