**Julius J. Marke, Richard Sloane, Linda M. Ryan, Caroline Young : Legal Research and Law Library Management (Law Office Management Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Legal Research and Law Library Management (Law Office Management Series):

A formidable job... This completely revised edition of Legal Research and Law Library Management belongs in every law library, regardless of size, type or location. It is a readable, useful, valuable guide for anyone in a law library. Elizabeth A. Greenfield, J.D., M.L.I.S., Information Resources Manager, Latham Watkins LLP, Newark, New Jersey Whether you are a lawyer, a law librarian or information specialist, now you can organize, locate and evaluate the most valuable legal resources. This revised edition of Legal Research and Law Library Management retains the best elements of the previous edition while covering the latest in law library management, including: collection

development; controlling the cost of obtaining and maintaining legal information; strategic planning; retaining a law library consultant; online legal research; the changing role of academic law reviews in legal scholarship; and copyright law and fair use of research materials. Legal Research and Law Library Management includes the cost of leading print resources, designed to serve as a resource in collection development decision-making, a source of pricing information for budgetary purpose, and a quick and comprehensive reference tool for legal researchers.

A formidable job... This completely revised edition of Legal Research and Law Library Management belongs in every law library, regardless of size, type or location. It is a readable, useful, valuable guide for anyone in a law library.

Elizabeth A. Greenfield, J.D., M.L.I.S., Information Resources Manager, Latham Watkins LLP, Newark, New Jersey
