Roy M. Mersky, Donald J. Dunn : Legal Research Illustrated, 8th Ed. before purchasing it in order to gauge whether or not it would be worth my time, and all praised Legal Research Illustrated, 8th Ed.:

This authoritative introduction and guide to legal research has been updated to include the latest developments in legal research. You'll find in-depth discussion of the legal research process, including citators, research aids, computer-

assisted research, and key Internet sources. Numerous appendixes speed up and simplify your research. Illustrations and charts help present and clarify fundamentals. Textbook can be used in conjunction with Jacobstein, Mersky, and Dunn's Assignment to Fundamentals of Legal Research, a workbook of exercises that complement and reinforce information in the textbook (see individual listing).

About the Author Professor of Law, Western New England College of Law
