The concept was explained well in the book. Would recommend if students are taking a more in-dept legal research class.0 of 0 people found the following review helpful. Five StarsBy AbigailCan't go through a paralegal course without it!0 of 0 people found the following review helpful. Timely FashionBy S.PeaPurchased the book for my sister.She needed the book for her first day of class. The book arrived days before we expected.

Legal Research Illustrated offers an authoritative introduction to legal research, including the most recent methods and resources. This teaching tool provides an in-depth discussion of the legal research process, integrating electronic sources and other research aids. The Ninth Edition includes a new chapter on legal writing. Illustrations and charts help present and clarify fundamentals. Highlights of this edition include updated chapters covering the newest sources, with an emphasis on the Internet; major revisions of the chapters on federal legislation, federal legislative histories, administrative law, constitutional law, secondary sources, citators, electronic legal research, international and human rights law; and a revised glossary of legal research terms and updated appendixes.
