Morris L. Cohen, Kent Olson : Legal Research in a Nutshell, 10th (Nutshell Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Legal Research in a Nutshell, 10th (Nutshell Series):

0 of 0 people found the following review helpful. Four Stars By Alonso Quijano, J.D. Was told this is a "must have." Now I "must find" time to read it. 1 of 2 people found the following review helpful. Legal Research By Jim W Hildreth The cornerstone of understanding the law is the ability to do legal research. Legal Research in a Nutshell is well organized and will give a good foundation in feeling comfortable to finding case law in ones ability of exploring all options for research in both Federal and State legal subjects. 5 of 7 people found the following review helpful.

Getting a Client Through Court By Monti S. In taking law courses, getting a client through court is your main propose. Legal Research in a Nutshell, is a book that take you step by step though the process, and reminds you constantly it is not the amount of time you spent working but the quality of time you spent working for the client. This book is a must have for anyone working in the field of law regardless as to whether you are an attorney, a paralegal, an investigator, or whatever, it is priceless. An excellent resource.

Finding and using legal resources effectively is an essential skill for lawyers. This comprehensive but succinct guide covers major Internet resources as well as online databases and library materials, with almost a hundred illustrations of print and online sources. Several hundred websites are discussed and placed in context for effective and productive use in research. Discussion includes coverage of legislative history, administrative law, specialized and interdisciplinary resources, and research in international and comparative law. Appendices list state research guides and treatises and services by subject.
