John Hanft : Legal Research in California, 6th before purchasing it in order to gage whether or not it would be worth my time, and all praised Legal Research in California, 6th:

0 of 0 people found the following review helpful. Great book, price and delivery!!!By Terry Lee JohnsonGreat book! Great price and delivery on , as usual.0 of 0 people found the following review helpful. Nice for the priceBy MariamRecommend.

This title gives you comprehensive guidance on California-specific research, and includes appropriate coverage of national and federal materials. The author presents a detailed overview of the legal research environment, and devotes chapters to each branch of government and the legal materials it produces. Detailed coverage includes case reporting, and case law, statutory law, and administrative law.
