Useful to law students, law practitioners, paralegals, and college-students in overlapping subject areas that need help in navigating a law library. Topics include: NC and Federal case law, legal digests, legislative history, preparation of memos and briefs, and computer-aided research. Written and designed so the information can be translated easily to other jurisdictions. Product provides a self-guided tour of legal research and covers a plethora of various types of media. | File size: 50.Mb

Miriam J. Baer, James C. Ray : Legal Research In North Carolina before purchasing it in order to gage whether

or not it would be worth my time, and all praised *Legal Research In North Carolina*:

This book is a clear, practical guide to legal research in North Carolina. Topics include North Carolina and Federal case law, legal digests, legislative history, preparation of memos and briefs, and computer-aided research. Each chapter includes up-to-date research projects that provide practical, hands-on experience for students. The book will also be useful to law students, practitioners, college students-anyone who needs help navigating a law library. Although it is specifically geared to research in North Carolina, the information can be easily translated to other jurisdictions and can provide a self-guided tour of legal research.
