Mary A. DeVries : Legal Secretary's Complete Handbook, Fourth Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Legal Secretary's Complete Handbook, Fourth Edition:

2 of 2 people found the following review helpful. A good, but outdated referenceBy The Stark FamilyI like a lot of the tips in this book, however, it is very outdated. For example, in the section that describes the computer (or "PC" as they refer to it) says that the computer has a floppy drive and a hard drive, yet no mention of CD drive. Also, this book is kind of lost on any secretary who works outside of litigation. None of the legal references or forms will ever do me

any good as a patent prosecution secretary.1 of 1 people found the following review helpful. This book is very thorough and is a good resource for a beginning legal secretary who has no ...By Barbara MusickThis book is very thorough and is a good resource for a beginning legal secretary who has no previous experience in the law office. It's draw back is it was written in 1992 and does not have the computer coverage that we enjoy today.0 of 0 people found the following review helpful. Very Detailed!!By donabegoodLegal Secretary's Complete Handbook, Fourth EditionI think this is a very detailed book, very helpful with some useful suggestions for all the Legal Firms or Law Offices in terms of organization, mailing, communicating, writing, talking and answering on the phone. Even with simply and real examples! I have found the book really useful although it refers to the American Legal System, and I am working in another country. It has been a good deal!

Now in its fourth edition, this popular desktop tool is packed with law-office practices and procedures for beginning and veteran legal secretaries and paralegals. Organised for quick access to work-day solutions, the guide is divided into five parts - general duties in the law office; preparing legal instruments and documents; preparing court papers; assisting in specialised practice; legal facts and secretarial aids.
