Carole A. Bruno : Legal Secretary's Standard Desk Book before purchasing it in order to gauge whether or not it would be worth my time, and all praised Legal Secretary's Standard Desk Book:

4 of 4 people found the following review helpful. Very Good Book for Its Subject By A Customer I was impressed with the content of this book. I own other legal secretarial books and this is one of the best. Plus having worked in law offices, I feel this book has a realistic slant on the legal profession. Even though it is an older book, I would recommend it.
