before purchasing it in order to gauge whether or not it would be worth my time, and all praised Legal Services Reauthorization Act of 1993: Hearing Before the Subcommittee on Administrative Law and Governmental Relations of the Committee on the J:

Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.
