9 of 12 people found the following review helpful. Unlike a law dictionary By David In the United States, the law is derived from four sources. These four sources are constitutional law, statutory law, administrative regulations and the common law (which includes case law). The most important source of law is the United States Constitution. All other law falls under, and is subordinate to, that document. No law may contradict the Constitution. For example, if Congress enacts a statute that conflicts with the Constitution, the Supreme Court may find that law unconstitutional, and declare it invalid. Unlike a law dictionary, which arranges and defines legal words and phrases individually and in

alphabetical order, a legal terminology CD arranges and defines legal words and phrases in groups and by topic. As a result, a student or other person interested in understanding an array of related legal words and phrases may prefer to use a legal terminology CD instead.
