Publishers Editorial Staff : Legalines on Family Law, Keyed to Areen before purchasing it in order to gage whether or not it would be worth my time, and all praised Legalines on Family Law, Keyed to Areen:

This title provides detailed explanations of the cases in Areen's family law casebook. Each brief includes the facts of the case, issues, holdings, and the court's reasoning. The easy-to-follow format includes background information and statements of law that relate the cases to the overall law. The title includes cases that pertain to marriage, divorce, child custody, property, alimony and child support awards, alternative living arrangements, procreation, parents and children, legal incidents of growing up, child neglect and abuse, adoption, and juvenile court.
