Practical explanations along with cases keyed to the casebook.This is really helping me in my law studies.1 of 1 people found the following review helpful. Good Product for all WTE StudentsBy Charles S. Propst Jr.Great product. Very simple language for all of the cases. However, beware that a new edition of the text book came out with in the past couple of years so not every one of the cases in

my new edition of the text book are covered in Legallines. Very good product though. 0 of 3 people found the following review helpful. Quick and EasyBy BelleI was very happy with my purchase. It came in the condition as promised and sooner than expected. I would definitely purchase again from this seller. Thanks!

Legalines gives you authoritative, detailed briefs of every major case in your casebook. You get a clear explanation of facts, the issues, the courts holding and reasoning, and any significant concurrences or dissents. Even more importantly, you get an authoritative explanation of the significance of each case, and how it relates to other cases in your casebook. And with Legalines detailed table of cases, you can quickly find any case or concept youre looking for. But your professor expects you to know more than just the cases. Thats why Legalines gives you more than just case briefs. You get summaries of the black letter law as well. Thats crucial because some of the most important information in your casebooks isnt in the cases at all its the black letter principles youre expected to glean from those cases. Legalines is the only study aid that gives you both case briefs and black letter review. With Legalines, you get everything you need to know whether its in a case or not!
