Good for finding out what the life is likeBy Kayaker1492After reading this, I decided that Paralegal work is

not for me. Most books on this do not give you a good point by point look at what a profession is like. This book did give many point by point examples by those in the field so this is well worth it. 0 of 0 people found the following review helpful. pricey for what you get By Allen Sanchez pricey for what you get

LESSONS from the Top Paralegal Experts: The 15 Most Successful Paralegals and What You Can Learn From Them is a unique and much needed reference. The primary goal of the book is to help students and professionals learn hands-on techniques directly from paralegal leaders in the field. These top paralegal experts share the secrets that have helped them become the best of the best in their profession. The top fifteen paralegal experts helped to expand the paralegal profession and improve the efficiency of performing paralegal duties including creativity, leadership, expertise in their specialty, technical skills, knowledge, mentoring, and organization. There is a definite need to provide paralegal students with further instructions to help them become more productive and efficient.
