Brian Winston : Lies, Damn Lies and Documentaries (Distributed for the British Film Institute) before purchasing it in order to gage whether or not it would be worth my time, and all praised Lies, Damn Lies and Documentaries (Distributed for the British Film Institute):

Despite its centrality to the daily lives of a variety of journalists, the topic of ethics is relatively unexplored. This work provides a comprehensive treatment of the subject.

"This magisterially argued book should be required reading for factual programmers on both sides of the Atlantic."--
"Sight and Sound" About the Author Brian Winston works at the University of Westminster and is a Governor of the British Film Institute. He is the author of numerous books including *Fires Were Started* (1999) and *Claiming the Real: The Documentary Film Revisited* (1995).
