A limited power of attorney allows you to appoint someone to manage specific elements of your legal, financial or property affairs on your behalf. The agent's authority will come to an end when you revoke the agent's authority, become incapacitated or die or where the power of attorney is limited in duration, on the expiration date. Limited powers of attorney are, as the name suggests, limited in scope. They allow your agent to act as your authorized legal representative only in relation to the specific matters you specify in your power of attorney document. These matters may relate to real estate, financial instruments, a business, litigation, banking, insurance and virtually any other matter. This Limited Power of Attorney Kit contains all the information and ready-to-use lawyer prepared legal forms necessary to create a limited power of attorney. Simply follow the instructions and you can have a limited power of

attorney for finance and property prepared in a matter of minutes - quickly and easily!
