before purchasing it in order to gauge whether or not it would be worth my time, and all praised *Litigating Health Rights: Can Courts Bring More Justice to Health?* (Human Rights Program Series):

0 of 0 people found the following review helpful. Extraordinary overview on judiciary protection on the Right to Health in the Americas By OSMIR GLOBEKNER Extraordinary overview on the situation of protection of the Right to Health in the Americas and an excellent analysis on the problems and the way the judiciary of these countries deals with, in the pursuit of ensuring universal and egalitarian access to Health. 0 of 0 people found the following review helpful. Five Stars By Rachel Awesome!

This book examines the potential of litigation as a strategy to advance the right to health by holding governments accountable for these obligations. It asks who benefits both directly and indirectly and what the overall impacts on health equity are. Included are case studies from Costa Rica, South Africa, India, Brazil, Argentina and Colombia.

About the Author Alicia Ely Yamin is Director of the Program on the Health Rights of Women and Children, Francois-Xavier Bagnoud Center for Health and Human Rights, and Adjunct Lecturer on Health Policy and Management, Harvard University. Siri Gloppen is Professor of Comparative Politics at the University of Bergen and Research Director at the Chr. Michelsen Institute (CMI) in Norway.
