before purchasing it in order to gage whether or not it would be worth my time, and all praised Litigation Guide for Paralegals: v. 2: Research and Drafting (Paralegal Practice Library):

Providing practical, hands-on coverage through all stages of drafting and research, this two-volume reference guide covers every aspect of pleading preparations for civil matters. The author provides samples of the major litigation forms most commonly used with detailed discussions of how they can be utilized. Cross-reference charts provide the rules of procedure for drafting and filing pleadings in all fifty states and in all types of cases.
