Lynn M. Randall : Litigation Organization and Management for Paralegals (Paralegal Litigation Library)

before purchasing it in order to gage whether or not it would be worth my time, and all praised Litigation Organization and Management for Paralegals (Paralegal Litigation Library):

From the PublisherPrimarily devoted to managing large-case litigation and analyzing the paralegal's role in developing the support systems necessary to keep large amounts of information organized and accessible. Examples of forms, pleadings, checklists and practice tips are tremendous time-saving resources when dealing with the complexities of a major case. Such things as designing administrative controls, document logs and filing systems unique to large cases are fully explained with supporting examples.
