Made E-Z Products : Living Trust Kit before purchasing it in order to gage whether or not it would be worth my time, and all praised Living Trust Kit:

0 of 0 people found the following review helpful. Very disappointed, I only received several pages in a openedBy Linda ShenVery disappointed, I only received several pages in a opened box

Tens of millions of Americans have prepared living trusts as the ideal way to avoid the high cost and lengthy delay of probate. A living trust provides more protection than a last will and testament, ensures immediate transfer of your assets to your named beneficiaries, and allows you full control of your property during your lifetime. In just a few

moments you can prepare you own Living Trust and save hundreds of dollars in legal fees.
