Daniel Sitarz : Living Trusts Simplified: With Forms-on-CD (Law Made Simple) before purchasing it in order to gage whether or not it would be worth my time, and all praised Living Trusts Simplified: With Forms-on-CD (Law Made Simple):

0 of 1 people found the following review helpful. Customer Service SucksBy DawnEThis book was advertised as Living Trusts Simplified: With Forms-on-CD. I did NOTreceive the Forms on CD. I notified Book Dr. by e-mail and waited for a response.Nothing! Then I contacted by e-mail. Nothing! I'm very disappointed withboth of them. The material itself is great, but I specifically purchased it fromBook Dr. because they advertised "With Forms-on-CD". I can't get a response fromeither. Now what do I do?0 of 1 people found the following review helpful. All you need to knowBy Rick CurtisIt contains all you need to know about living trusts and much of it is on CD so you just fill in the blanks on your computer. Still, living trusts are a confusing subject. But this is an excellant product.56 of 57 people

found the following review helpful. For anyone seriously considering a living trust
By Midwest Book Review
Clearly and knowledgable written by Daniel Sitarz, an experienced attorney-at-law, *Living Trusts Simplified* is a straight forward guide to the law concerning trusts, legally valid in all 50 states and Washington D.C. Individual chapters address how to avoid the expenses of probate or the capriciousness of state distribution plans, how to ensure privacy when crafting an estate plan, appointing a worthy trustee, creating a children's trust, and much more. Simple, practical, easy to understand and an absolute must for anyone seriously considering the creation of a living trust. *Living Trusts* comes with numerous sample forms, which are reproduced on an accompanying CD-ROM which has and uses Adobe Acrobat Reader. Recommended.

The forms in this book are valid in all states and include forms for setting up a living trust, making transfers to the trust, altering the trust, and revoking the trust.
