Ike Vanden Eykel, Sharla Fuller : Lone Star Divorce: The NEW Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Lone Star Divorce: The NEW Edition:

0 of 0 people found the following review helpful. HelpfulBy MHThis book is easy to follow and generally covers the subject very well. It was helpful as I am trying to help a friend through a separation and divorce.4 of 5 people found the following review helpful. Good Help with a Painful Texas DivorceBy Virginia WolffThis is the new edition of a book about divorce in Texas that was very helpful to me a few years ago in a very painful parting with my Texas ex.

No one should have to walk into a courtroom without a clear view of what's in your best interests and the interests of your children. The authors break down the divorce process in a rational, common-sense way that takes a lot of the fear and intimidation out of it. It's a book that people divorcing in Texas need to read that can only make the outcome brighter. The new edition updates changes in Texas law and adds a list of top professionals in financial planning, real estate, therapy, etc. who specialize in complex divorce-related issues.

When a divorce takes place in Texas, the result can be disastrous and long-lasting for parents and children. Noted divorce attorneys Ike Vanden Eykel and Sharla Fuller have seen the tragic side of family breakups. With *Lone Star Divorce: The NEW Edition*, they hope to reduce the heartache and mistrust so common with divorce in this state. Following in the aftermath of *Successful Lone Star Divorce* and *Protecting Your Assets From A Texas Divorce*, the authors lay the groundwork for a more productive divorce, one where all parties can emerge emotionally and financially intact. From the initial decision to divorce through filing to the courtroom or settlement conference to the struggle to begin a new life, these experts are with you, offering advice on how to control costs, what to tell your children, how to retain assets, when to depend on mediation or collaborative law, how to move forward in life and much, much more. In this one volume, the authors provide information on the unique nature of a Texas divorce that can save you thousands.

"[Vanden Eykel is] a high powered guy with a great message." The Dallas Morning News
