Esq. Ann-Margaret Carrozza : Love Money: Protecting Yourself from Angry Exes, Wacky Relatives, Con Artists, and Inner Demons before purchasing it in order to gage whether or not it would be worth my time, and all praised Love Money: Protecting Yourself from Angry Exes, Wacky Relatives, Con Artists, and Inner Demons:

0 of 0 people found the following review helpful. Love MoneyBy CustomerI enjoyed this book very much. Ann-

Margaret made this book an easy read for just about everyone. I think were this book succeeds is in the fact that it makes you realize that making and saving money is not the end of the story. Its about preserving our hard earned wealth for ourselves and our family. In a moment our wealth can be wiped out by a lengthy nursing home stays or a costly divorce. This book makes you think about things that we either did not know about or did not want to know about. Such things like pre and post nuptial agreements, wills, trusts, etc. This book will help us to prepare whatever legal documents that will serve us the best. For these and other reasons I give it a 5 star rating and encourage everyone to get a copy. Ann-Margaret made this book not only informative but a fun read. She tells of experiences that happened that we call can relate to.0 of 0 people found the following review helpful. A must read.By TonyExcellent reading and information for adults who are married or have elderly parents. Great advice on how to keep your hard earned money.0 of 0 people found the following review helpful. Five StarsBy Mrs SyrtoOffers clear advice on many of lifes headaches.

"I have often said that money problems are not solved with money. Ann-Margaret understands it is not what you make but what you keep that matters. You will read this once and refer to it for years to come." Dr. Phil, from his foreword It is no secret that we are living in an increasingly litigious society. What may come as a surprise, though, is that we are far more likely to be involved in a costly legal dispute with a former loved one than we are with a stranger. In Love and Money, Ann-Margaret Carrozza will help you to easily understand and implement essential legal strategies to prevent you from doing legal battle with someone you once shared Thanksgiving dinner (or a pillow) with. Through an engaging narrative, including amusing cautionary tales, readers will learn how to utilize contracts to identify and avoid costly relationship landmines, reduce pet peeves, and create a joint mission statement, all the while ensuring that one's wealth and values are transmitted to future generations. Love and Money demystifies many legal structures, including: Prenuptial agreements Postnuptial agreements Cohabitation agreements Love contracts Wills Trusts Powers of attorney Healthcare advance directives After learning how to erect legal barriers against external wealth destroyers and evildoers, the focus of the book moves to internal wealth destroyers. Readers will learn how to identify and combat internal wealth repellants such as low self-esteem, fear, and stress. Becoming and remaining wealthy requires more than just money. This book provides a unique education about the interrelated nature of the internal and external laws of wealth and how to put them both to work for stronger relationships with one's finances and loved ones.

"I have often said that money problems are not solved with money. Ann-Margaret understands it is not what you make but what you keep that matters. You will read this once and refer to it for years to come." Dr. Phil, from his foreword "Once I started reading, I just couldn't put this book down. Every chapter is wildly entertaining and incredibly informative. I learned more about protecting my assets by reading the funny stories in this book than I did in three years of law school! Love Money is a must-read if you want to keep other people's hands out of your wallet." Sol Kods, attorney-at-law "True wealth is not about money alone. That's why most lottery winners are broke in no time. In Love Money, Ann-Margaret Carrozza gives us tools to combat both internal wealth repellants and external wealth destroyers. This fun read is a one-stop guide for those serious about growing and protecting their wealth." Jonathan S. Kuttin, Barron's top-100 independent financial advisors "Love Money is a game changer. Read it and get ready for improved relationships and greater wealth." Paul Sladkus, founder and president, Milestone Broadcast CompanyAbout the AuthorAnn-Margaret Carrozza is a practicing wealth and estate-planning attorney who served as a New York State assemblywoman for fourteen years. She has the highest possible attorney rating and is regularly featured as an expert legal contributor on television shows such as ET, Extra, Inside Edition, Good Morning America, FoxBusiness, The Doctors, and Dr. Phil. She lives on Long Island, New York, with her husband, William Duke, MD, their sons, Billy and Danny, and furry family members, Lucky and Rocky.
