From Brand: NYU Press : Loyalty: NOMOS LIV (NOMOS - American Society for Political and Legal Philosophy) before purchasing it in order to gage whether or not it would be worth my time, and all praised Loyalty: NOMOS LIV (NOMOS - American Society for Political and Legal Philosophy):

Few topics are more ubiquitous in everyday life and, at the same time, more controversial in practice, than that of one's moral obligation to loyalty. Featuring essays by scholars working in a variety of subjects from law to psychology, *Loyalty* presents diverse perspectives on dilemmas posed by potential conflicts between loyalties to specific institutions or professional roles and more universalistic conceptions of moral duty. The volume begins with a philosophical exploration of theories of loyalty, both Eastern and Western, then moves to examine several problematic situations in which loyalty is often a factor: partisan politics, the armed forces, and lawyer-client relationships. A fair and balanced analysis from a wide range of disciplinary and normative viewpoints, *Loyalty* infuses new life into an oft-tread avenue of scholarly inquiry.
